

# Blast Kids Club Newsletter

Spring Term 2

Happy Easter!

Hope you are all enjoying a well deserved break! This year has flown by and were already into our last term of the academic year. It will be the summer break before you know it! Fingers crossed we will start to see some more sunshine.

## Contact Details

Mobile: 07783942084

Email: [blastkidsclub@yahoo.com](mailto:blastkidsclub@yahoo.com)

OFSTED Registration Number: 2737370

## Bookings

Thank you to those of you that continue to book using our online system.

Could the parents of those children that attend clubs/activities after school and then come to blast, please let us know, so we know where they are.

## Update of changes

Please can all parents double check their information is up to date on the booking system. Especially, emergency contact and medical details.

## Satisfaction Surveys

Over the last half term, the children have been completing satisfaction surveys. The most common theme that came from these was the children want to go outside more. This is one thing that I am hoping to achieve in the summer term.

Now, we would like to get your views. We are always looking at ways to improve the club and we would appreciate your feedback. I have attached a parent satisfaction survey to this email. I would really appreciate if you could complete and send back it back to us.

## Fees 2024/2025

At present I am reviewing the fees for the next academic year, due to the minimum wage increase and other increases associated with the club, the fees will also see an increase to compensate. I appreciate with the cost of living going up times are challenging for everyone. As I am now Ofsted registered you are able to make use of the financial support for childcare costs. When I have finalised these changes I will let you all know.

## Upcoming Activities

This half term we will be looking at:

- \* May day celebrations
- \* Earth Day
- \* Keeping ourselves healthy
- \* Exploring Space

And much more!

## Our creations from this half term

The children have enjoyed our new reading tent!

The Friday children have enjoyed our new sewing kits.
